

10 May 1954

TO : Security Officer, IO  
SUBJECT: Unlisted Telephone Survey

On approximately 1 May 1954, the undersigned began a survey for the Physical Security Branch on the number and location of unlisted telephones throughout the Agency. The purpose of this survey was to ascertain how many unlisted telephones were in the possession of various branches and divisions in the Agency, and, if possible, review the justification for the unlisted telephones.
